the right to accept or reject late proposals or to extend the time for response for one or more respondents.

4. Criteria for Evaluation of Proposals

4.1 Evaluation of Compliance with RFP Guidelines

Each proposal received will be evaluated to determine whether it generally supplies the information requested in this RFP. MECA may (at its sole discretion) disqualify any proposal, which it deems non-compliant. All proposals shall be valid for acceptance for a period of ninety (90) calendar days.

4.2 Evaluation of Proposals

Proposals will be evaluated based on the following criteria: (a) the company profile, background, experience, and references of the proposing party; (b) service and support; (c) ability to agree to the requested contractual terms and conditions; and (d) financial considerations. Other criteria may be considered by MECA based on the nature of the proposals received.

4.3 Selection of Respondents

Based on the foregoing criteria, MECA will select one or more entities for further negotiations. It is possible that based on the responses, MECA will elect to negotiate with more than one respondent. In such event, all selected entities will be informed that others have also been selected for negotiation, although MECA reserves the right to not disclose the identity of the other selected respondents.

MECA will notify the successful Bidder of the acceptance of its proposal. Such notice will be sent to the name and email address of the bidder as stated in its proposal.

4.4 Reservations

MECA reserves the unqualified right to reject any or all proposals, extend the time for receipt of proposals from all Bidders, waive defects or technicalities, correct discrepancies, advertise for new proposals, or to take any other action that MECA determines, at its sole discretion, to be in its best interest. MECA reserves the right to award the contract to other than the low bidder. Any such determinations or actions may be made without notice. All costs of preparation and submission of a proposal shall be at the risk and expense of the respondent. MECA shall have no liability in connection with a proposal or any respondent.

4.5 Proposals

All bids and proposals submitted by the various Bidders for this work become the property of MECA. Neither MECA nor the Bidders shall disclose the contents of any proposal to the other parties prior to the announcement of the award.

All insurance shall be primary and not contributory. All insurance shall be written by companies with a Best's Key Rating Guide (Property-Casualty, United States) rating of A or better and a Best's Financial Size Category of Class VI or better. Within thirty (30) days of the date on which coverage is to be provided hereunder, the successful Bidder shall furnish to MECA certificates of insurance along with copies of endorsements evidencing compliance to the above requirements. Such certificates and insurance policies

shall name MECA and the City of Omaha as additional insureds on a primary basis, and contain a waiver of subrogation, in which the insurer waives any claim or right to recover against MECA, the City of Omaha, their officers, agents or employees.
