

**METROPOLITAN ENTERTAINMENT & CONVENTION AUTHORITY
REQUEST FOR PROPOSAL (insert RFP number)
CLCO Box Office Display Signage
September 13, 2017**

PART I - INTRODUCTION

The Metropolitan Entertainment & Convention Authority (“MECA”) is requesting proposals from qualified organizations interested in performing all services necessary to provide and install 12 LCD Monitors with Control Suite at CenturyLink Center Omaha (“CLCO”). MECA is responsible for managing the operations of the Facility.

1. Anticipated RFP Schedule

This Request for Proposal (RFP) and the guidelines set forth for responses hereto are intended to provide MECA with significant substantive information early in the negotiating process so that final agreement can be reached quickly. MECA has therefore established the following schedule:

RFP Issued	September 13, 2017
* MANDATORY Pre-bid Meeting	September 27, 2017, 11:00 am
Final Questions	October 2, 2017, 11:00 am
Due/Public Opening (time)	October 4, 2017, 11:00 am

* This is a mandatory pre-bid meeting. All Bidders who may wish to provide a Proposal must be present at this meeting. Bidders must notify MECA at pgregoire@omahameca.com of their intention to attend this meeting no later than September 26, 2017, 11:00 am.

2. Bidder Inquiries

All inquiries regarding this RFP must be made in writing and addressed to pgregoire@omahameca.com. Oral explanations or answers shall not be valid. Revisions, clarifications, and/or additional information will be issued to all Bidders in the form of an RFP addendum. All or any RFP addenda issued to the Bidders prior to the bid due date shall become a part of the bidding documents and the cost of such work shall be included in the bids.

3. Delivery of Proposals

Two printed copies and one electronic copy of proposals must be submitted and signed by an officer of the company, and delivered before the time set forth in Section 1 to MECA’s offices:

MECA
RE: Bid CLCO Box Office Display Signage
455 North 10th Street
Omaha, NE 68102

All proposals received will be publicly opened at MECA's offices at the time set forth in Section 1. Bidders may attend, however attendance is not required. MECA reserves the right to accept or reject late proposals or to extend the time for response for one or more respondents.

4. Criteria for Evaluation of Proposals

4.1 Evaluation of Compliance with RFP Guidelines

Each proposal received will be evaluated to determine whether it generally supplies the information requested in this RFP. MECA may (at its sole discretion) disqualify any proposal, which it deems non-compliant. All proposals shall be valid for acceptance for a period of ninety (90) calendar days.

4.2 Evaluation of Proposals

Proposals will be evaluated based on the following criteria: (a) the company profile, background, experience, and references of the proposing party; (b) service and support; (c) ability to agree to the requested contractual terms and conditions; and (d) financial considerations. Other criteria may be considered by MECA based on the nature of the proposals received.

4.3 Selection of Respondents

Based on the foregoing criteria, MECA will select one or more entities for further negotiations. It is possible that based on the responses, MECA will elect to negotiate with more than one respondent. In such event, all selected entities will be informed that others have also been selected for negotiation, although MECA reserves the right to not disclose the identity of the other selected respondents.

MECA will notify the successful Bidder of the acceptance of its proposal. Such notice will be sent to the name and email address of the bidder as stated in its proposal.

4.4 Reservations

MECA reserves the unqualified right to reject any or all proposals, extend the time for receipt of proposals from all Bidders, waive defects or technicalities, correct discrepancies, advertise for new proposals, or to take any other action that MECA determines, at its sole discretion, to be in its best interest. MECA reserves the right to award the contract to other than the low bidder. Any such determinations or actions may be made without notice. All costs of preparation and submission of a proposal shall be at the risk and expense of the respondent. MECA shall have no liability in connection with a proposal or any respondent.

4.5 Proposals

All bids and proposals submitted by the various Bidders for this work become the property of MECA. Neither MECA nor the Bidders shall disclose the contents of any proposal to the other parties prior to the announcement of the award.

5. Contractual Terms and Conditions

Review and provide a detailed response whether the following contractual terms and conditions are agreeable. The Bidder's Proposal shall specifically note any requested

modifications to this section, which MECA may take into consideration during the review process, at MECA's discretion.

5.1 Purchase Agreement and Payment

The successful Bidder will be required to execute a MECA Service Agreement prior to performing any portion of work required within the specifications of this RFP. A sample MECA Purchase Agreement is available upon request.

Payment terms will be Net 30 days from installation and acceptance by MECA.

5.2 Insurance

The successful Bidder must provide evidence of the following types of insurance during the term of the Agreement. For the avoidance of doubt, such coverage and limits are minimum requirements and shall not be deemed as a limitation on vendor's liability under any provision of any agreement. Approval of the insurance by MECA shall not relieve or decrease the liability of the vendor hereunder. Note any available insurance proceeds in excess of the specified minimum limits and coverage shall be available to an additional insured:

Commercial General Liability Insurance (including premises operation liability, contractual liability and product/completed operations liability) and Automobile Liability coverage (owned, non-owned and hired coverages) with minimum limits of \$1,000,000 Combined Single Limit (Auto Liability), and \$1,000,000 Per Occurrence, and \$2,000,000 General Aggregate. Commercial General Liability aggregate limit will apply on a "per location" basis. The insurance must protect the Bidder and MECA from claims for personal injury (including bodily injury and death) and property damage which may arise from or in connection with the performance of the Bidder's services hereunder or from or out of any negligent act or omission of the Bidder, its officers, directors, agents or employees.

Workers' Compensation Insurance as required by applicable law. Policy shall be endorsed to include Waiver of Subrogation against MECA, the City of Omaha, their employees, officers and legal representatives.

Employer's Liability Insurance with minimum limits of:

\$500,000 Each Accident—Bodily Injury by Accident

\$1,000,000 Policy Limit—Bodily Injury by Disease

\$500,000 Each Employee—Bodily Injury by Disease

Umbrella or Excess Liability: additional \$5,000,000. Coverage is to apply to excess of Commercial General, Employer's Liability, and Automobile Liability policies.

All such insurance required above shall be with companies and on forms acceptable to MECA and shall provide that the coverage thereunder may not be reduced or canceled unless thirty (30) days unrestricted prior written notice thereof is furnished to MECA. All insurance shall be primary and not contributory. All insurance shall be written by companies with a Best's Key Rating Guide (Property-Casualty, United States) rating of A or better and a Best's

Financial Size Category of Class VI or better. Within thirty (30) days of the date on which coverage is to be provided hereunder, the successful Bidder shall furnish to MECA certificates of insurance along with copies of endorsements evidencing compliance to the above requirements. Such certificates and insurance policies shall name MECA and the City of Omaha as additional insureds on a primary basis, and contain a waiver of subrogation, in which the insurer waives any claim or right to recover against MECA, the City of Omaha, their officers, agents or employees. The additional insured requirement does not apply to Workers' Compensation.

5.4 Indemnification

Bidder does hereby covenant and agree to indemnify, defend and hold harmless MECA, and the City of Omaha, their officers, directors, employees, agents and representatives, from and against all claims, demands, losses, suits, damages, liabilities, costs and expenses (including reasonable attorneys' fees) arising out of or relating to any claim, demand or judgment for property loss or damage (including loss of use of the Facility), and/or personal injury, including death, arising out of the Products and Services furnished hereunder by Bidder and Bidder's Personnel except to the extent same is caused by the negligence or reckless conduct of MECA or its employees or agents.

MECA is not responsible for any equipment, furnishings, supplies or other property or products owned by Bidder and used or stored at the Facility, nor is it responsible for damage resulting from power failure, flood, fire, explosion or other similar causes.

The provisions requiring the furnishing of personal injury liability or property damage liability insurance shall not be construed to affect or impair the generality of the forgoing.

The successful Bidder shall represent and warrant in the contract that the components of this RFP to be purchased for the Facility shall not violate or infringe upon any patent, copyright, trademark, trade secret or other intellectual or proprietary right of any third party. The Bidder shall agree to defend, protect and hold harmless MECA and its related parties from and against any and all liabilities, actions, losses, awards, damages, costs, claims or expenses including reasonable attorneys' fees incurred by them as a result of any claim that the components of this RFP to be purchased for the Facility are illegal or infringe upon any third party patent, copyright, trademark, trade secret or other intellectual or proprietary right.

5.5 RFP and Bidder's Proposal

This RFP and the Bidder's proposal thereto shall become part of any contract that may be entered into as a result of this RFP.

5.6 Warranty

The Bidder shall warrant in the contract that the components of this RFP to be purchased for the Facility shall be new and of good and workmanlike quality and fit for the use intended. The Bidder shall further warrant that during the manufacturer's warranty period that the components will operate in accordance with the manufacturer's specifications. The manufacturer's warranty period shall

be specified on the Bidder's proposal and shall begin on the date of MECA's acceptance of the installation. All other specific promises and warranties made by Bidder in the RFP Response or bid process generally shall also be included in the final contract.

5.7 Scope, Quality of Work Guarantee

The successful Bidder shall furnish all equipment, labor, and personnel necessary to perform and complete the work.

5.8 Conduct of Personnel

No business, other than that specifically outlined in the RFP, may be conducted by personnel of the Bidder while on the premises of the Facility.

The Bidder shall be responsible for all actions of its employees, while they are assigned to the Facility. The employees shall at all times comply with applicable laws, ordinances, and regulations of local, state, and federal agencies, along with all regulations, policies, and procedures of MECA.

Bidder certifies and agrees that, with respect to its staff and employees who will participate in the performance of this Agreement, the Bidder shall maintain a workplace free of drugs and alcohol during the term of this contract.

If, for whatever reason, MECA determines that personnel assigned to the Facility are unsatisfactory, the Bidder shall replace the individual immediately or as mutually agreed upon.

5.9 Sales Tax

All federal, state and local taxes, including without limitation sales, use, excise, privilege, transactional, gross receipts, ad valorem or any other transactional tax or customs and duties ("Tax" or "Taxes") paid or payable by Bidder, however designated, levied or based on amounts payable to Bidder under or in connection with the RFP have been included in the pricing set forth on Attachment A – Proposal Form as required by the relative taxing authorities.

MECA is a sales taxable entity and as such, Bidder warrants that sales tax is included in the price provided on Attachment A – Proposal Form. Notwithstanding anything in the Agreement to the contrary, the successful Bidder shall indemnify and defend MECA for any sales tax audit assessment against MECA relating to the amount of Nebraska sales tax charged under this Agreement.

As a Vendor of CLCO, any sales tax collected must be reported to the State of Nebraska on a monthly basis. A Convention Center Facility Financing Assistance Act Sales and Use Tax Information Form must be completed and filed on or before the 20th day of the month following the month of sale. Forms are available by contacting MECA's Finance Department. Vendor must also supply MECA with the Vendor's Nebraska Sales Tax Permit number on Attachment A – Proposal Form upon execution of the Agreement.

PART II - SCOPE OF PROJECT

Overview: The scope of work includes removal and disposal of existing signage, installation of 12- 49" LCD TV Monitors, and software and technical training support of the Box Office digital display signage system. To provide a control suite that can be operated from employee work stations and will be user friendly.

Bids must include all labor, materials, parts, cabling, and electrical installation, system commissioning services, system programming and training for a full and complete turn-key system.

The Successful Bidder will be responsible for the following:

1. Responsible to remove and dispose of existing equipment.
2. Generate and issue site specific equipment shop drawings, equipment locations, color renderings and ad copy layouts.
3. Provide a graphical design layout for monitor display, consisting of L bar for sponsors and window identification as well as an area for event loop.
4. Crate and ship all equipment to facility via common or independent carrier. Upon arrival, bidder will accept, unload and inspect all LCD equipment and control equipment from carrier.
5. Work area to be cleaned daily.
6. Lift and mount LCD brackets, LCD's and required accessories.
7. Pull all new signal cable and remove existing cable, if required.
8. Unpack, set-up, connect and test the control system.
9. Provide maintenance agreement and warranty of monitors and control system.
10. Advise if software licenses are needed annually and if any software or firmware upgrades will be required during the next five years and at what cost.
11. Provide training of up to six persons at a time mutually agreed upon at the completion of work.
12. Installation will require the RFP package to include pricing on labor, parts, and necessary equipment for a qualified MECA preferred electrical contractor to perform the following:
 - A. Low voltage electrician who is needed to run Ethernet cable from IT to the ticket office to the 16 input network switch.
 - B. Low voltage electrician will need to pull Ethernet from the 16 input network switch to monitors.
 - C. High voltage electrician will be needed to install outlet behind the monitors and run electrical cable from the outlet to the junction box.
 - D. High voltage electrician to run cable from outlets to existing junction box.

MECA will be responsible for the following:

1. Provide approval of all engineering drawings, electrical drawings, shop drawings, equipment locations, color renderings and ad copy lay outs.
2. Provide unobstructed access to equipment and control room installation site until display is 100%.
3. Mark location of the new equipment placement.
4. Provide storage of LCD equipment and control equipment in a safe, dry and secure location until installation.
5. Provide a climate controlled and secure control room for all control systems (on/off venue site). Control room is to be climate controlled by MECA. Normal

- operating humidity less than 80 percent, normal operating temperature will be between 65 and 75 degrees Fahrenheit,
6. Provide high speed internet connection to control room equipment
 7. Provide required power outlets on clean dedicated circuits for all LCD and control equipment.
 8. Provide personnel for maintenance and operating training.

Timeline

- All work must be scheduled with MECA to accommodate the event schedule. This may require that the work be completed in phases. This will be discussed further during the pre-bid meeting. This project may require installation during evenings and weekends.
- The current timeframe for work to be completed is: November 2017-February 2018
- The successful Bidder must provide MECA a detailed schedule for completion of the Work.
- The successful Bidder must provide MECA the name and cell phone number of the lead installer that will be on site every day.
- The delivery date must be scheduled and approved by MECA. Due to the event schedule, there are days in which loading docks are not accessible. MECA is not responsible for any additional shipping charges for refused deliveries.

PART III - Information to be Supplied by Bidder

For ease of evaluation and given the fast-track that MECA desires to pursue to reach final agreement, MECA requests that each proposal submitted incorporate the same general structure. Proposals must include the following sections:

1. Attachment A - Proposal Form

Attachment A – Proposal Form, must be completed, signed and submitted as the first page of the Proposal. Proposal must include all costs associated with a complete, turn-key system installation.

Bidders must also provide prices for on-going support and maintenance.

2. Company Profile

The Bidder should provide information about the company, including the following information:

- A. Company name, address, telephone number and contact person.
- B. Brief company history, which can be in the form of a company brochure.

3. Subcontractors

In order that MECA may be assured that only qualified and competent subcontractors will be retained for the service, each Bidder shall submit with his/her

name a list of all subcontractors that the Bidder intends to use. No change shall be made in the list of subcontractors after the receipt of proposals, unless agreed to in writing by MECA.

4. References

Bidders shall supply a list of three references that have been provided similar product/service, including names and telephone numbers of the customer's contact person.

5. Specification Sheets

Bidder shall provide detailed specification sheets and photos of equipment listed on proposal.

6. Warranty and Support Information

Bidders must provide warranty information for equipment and services.

7. Deviations from Scope of Project

Bidders must document any and all deviations from the specifications outlined in the Scope of Project in Part II.

8. Contractual Terms and Conditions

The Bidder shall review and provide a response whether the contractual terms and conditions set forth in Part 1, Section 5 are agreeable. A detailed response is required if a bidder is not agreeable to one or more of the terms and conditions set forth in Part 1, Section 5.
